For most people, French Polynesia is utopia. For us, this paradise is home. Lithe as a yacht, the [m/s Paul Gauguin](#) -- the only ship built specifically to cruise these islands -- sails year-round, remaining finely in-tune with the rhythms of the Polynesian islands and the open-hearted people who inhabit them.

Now your clients have the once-in-a-lifetime opportunity to cruise in luxury aboard our deluxe ship while enjoying:

**\$1,000 Guest Privileges credit per couple  
on select 14-night voyages\* when booked by August 31st, 2010**

These longer voyages give them the chance to truly get away from it all on a leisurely cruise through one of the world's most coveted destinations, while enjoying volcanic mountainscapes, crystal-clear lagoons, and palm-fringed beaches of this [tropical wonderland](#).

As a guest of *The Gauguin*, they'll also bask in the attentive service, attention to detail, and immersion into Polynesian culture that are the hallmarks of Paul Gauguin Cruises, all along the way.

*\*Applies to 14-night voyages booked by August 31st, 2010. New bookings only.*
